To

The Munroi Secretary to the
Dewan of Mysore.

Sir,

With reference to the marginally noted official Memoranda forwarding for report 4 petitions from one Kallavi Purnachar of Mulbagal complaining of mismanagement of the Inam Villages attached to the Sripadarajaswami Mutt at Mulbagal, I have the honor to submit for information and obliging return the accompanying file of records ending with the Mulbagal Amildar's Purzi No: 451 dated the 14th Oct. 1892 on the subject.

2. It will be observed from the same that 4 villages in the Mulbagal Taluk, 2 in Bowringpet, 1 in Mandya, 1 in Tumkur and 1 in the Kortigere Sub Taluk have been granted as Inam for the support of the Mutt which is also in the enjoyment of certain villages in Her Majesty's Territories.

3. An Abstract statement shewing the income

Chief Secretary's Letter No. 8875 / 4 2 76 dated 16th November 1891
Munroi Secretary's Memo No. 10385 dated 21st November 1891
Secretary's official memorandum No. 4 3 dated the 21st December 1892
1867 — 1892 dated 8th December 1892

+ herewith returned —

of the Inam villages enjoyed by the Mutt in Mysore and the expenditure incurred by the Institution for each of the past 5 years is enclosed. This has been prepared from the accounts furnished by the Mutt which the Amildar states cannot be relied on as accurate as they are not supported by any original vouchers forming a basis for the same nor does the swamy himself deny that regular accounts were not kept, those now rendered by him especially the portion relating to expenditure being only approxi-mate owing to the incomplete data in his possession.

4. The information as far as available shews that the average annual income is about Rupees 1546-- and the expenditure Rupees 3019.

5. Neither the Inam settlement Register nor the Sannads seem to specify how the rents and profits of the Inam villages should be utilized or what should be the items or extent of expenditure but nevertheless the Govt is expected to see that the revenue derived from the Inam villages granted for the support of the Mutt is duly appropriated for the benefit of the institution.

6. The Amildar reports that the mutt is in fair order, worship is performed and some Brahmans are also fed on special occasions.

7. With regard to the Petitioner's complaint that the swamy pays in money and in kind for the maintenance of his relations the Amn explains that such payments are made as a remuneration for certain services performed by those persons in connection with the management of the Inam villages &c: and that the arrangement is economical as the employment of others would cost more.

8 Under the foregoing circumstances, I think that the only action that is at present necessary to take in the matter of the petition under report is to require the Mutt to keep a regular account of the receipts from the Inam villages and of the utilization thereof and produce the same for examination by Government officers whenever called upon to do so. I have the honor to be,

Sir,

Your most obedient Servant

for Deputy Commissioner
